

WEXLER PACKAGING & *Linerless Labels*

**Ravenwood
Packaging**

Wexler is proud to represent Linerless Labeling Systems by Ravenwood Packaging in the UK. We have been privileged to help introduce linerless technology in the US, offering companies high-quality backless labels that reduce waste, lower costs, & promote product branding.

The Applicator

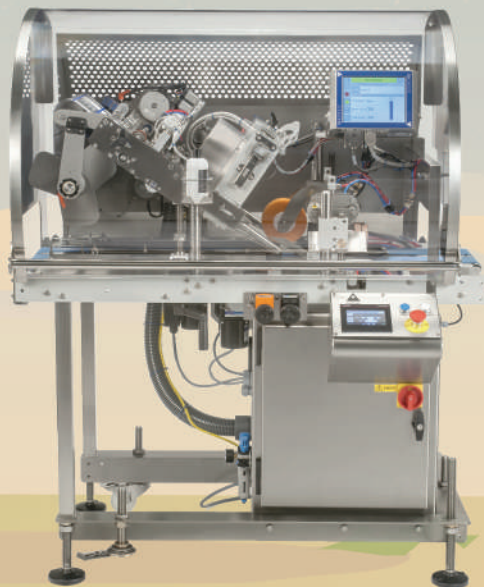

Nobac 500

Max Speed = 130 PPM

Small Footprint: 4ft x 2ft

Options:

**Thermal Transfer Printer
for variable information**

The Labels

- **No Liner = 60% Less Waste**
- **40% More Per Roll**
- **Formats For Every Product**
- **Cost-effective and Sustainable**
- **Best Label Option for VSP**

Applicator and labels are a single engineered system, contact Wexler Packaging to learn about approved label printers.
