Coronavirus- COVID-19

Wexler Packaging Products is a sales and service organization that supplies equipment and supportive materials from our vendors located in UK and Switzerland. Products are shipped directly to our facility in Hatfield PA. Our products are not impacted by the Coronavirus COVID-19.

As a company we are taking necessary precautions per local CDC guidelines.

Employees have been instructed regarding proper hygiene and avoiding large public gatherings. Employees have been asked to advise us if they are not feeling well or let us know if they were exposed to others not feeling well.

We are avoiding air travel and service/sales calls are by car. For technical issues we are available via FaceTime and telephone trouble shooting.

We will continue to monitor this policy and revisit when appropriate.
