

NOBAC 5000L

Fruit Linerless Applicator

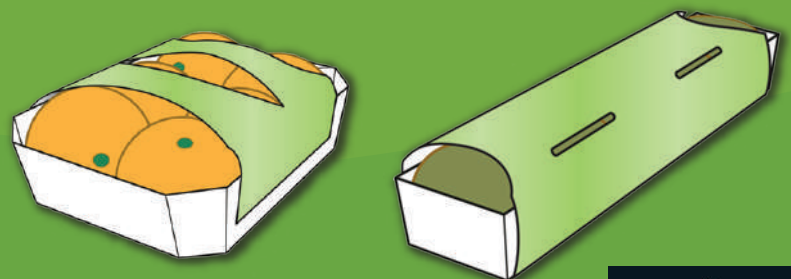

The new Nobac 5000 is Ravenwood Packaging's flagship applicator and their very latest innovation, building on the core functionality of our Nobac 500 range of machinery.

The Nobac 5000L fruit linerless applicator applies linerless 'Fruit Lids' to fruit and vegetable products:

- Suitable for narrow/wide fruit & vegetable trays 1x2, 1x3, 1x4 and 2x2, 2x3 tray formats
- Paper labels available 170 - 300 gsm thickness.
- Shaped and cutout labels for visual appearance of product
- Modular construction for flexibility of use and machine configuration
- Thermal ink jet coding unit for printing direct onto Fruit Lid
- Lids can be supplied in a range of weights for different products and tray formats
- Connections to weigh price labeller for catchweight, fixed weight or average weight labelling
